Respected President,

I hope this letter finds you well. As a concerned member of the **NAUP**, I would like to bring to your attention an urgent matter regarding communication among officials.

In this age of technology, it is essential to have an efficient and effective way of communicating with one another. With this in mind, I would like to suggest the creation of a **WhatsApp group** exclusively for the officials of the State Federation.

This group will serve as a platform for us to share important updates, announcements, and coordinate our efforts efficiently. Additionally, it will allow us to respond promptly to any emergencies that may arise.

I am confident that the creation of this group will greatly enhance our communication and facilitate our work. As such, **I request that the creation of this WhatsApp group be completed within the next two days.**

Thank you for your attention to this matter. I look forward to your positive response.

Sincerely,

Vijay Kushwaha
